

DEERWOOD

July 6th Community Picnic

The community 4th of July celebration turned out to be a nice way for Deerwood Park neighbors to meet each other, hang out with friends and family, and to celebrate our nation.

It had been quite a few years since the community had come together this way.
Let's make the event a tradition!

Preparations began the week before, as nearly 170 “Deerwoodians” responded that they were coming to the community event. The volunteer set-up crew arranged 163 chairs and 15 tables, while 200 hot dogs and 70 pounds of hamburger were ordered and eventually grilled up to perfection.

In honor of the holiday, United States flags were installed at various locations around the neighborhood.

Folks came from all over to attend the picnic. We even had someone attend who owns a residential lot at Deerwood Park, but had not been to the development in almost 20 years!

Neighbors enjoyed sporting their red, white, and blue, whether on decorated golf carts and ATVs or on holiday attire.

The pickleball court, new to Deerwood, was action central during the July 4th holiday week.

After a lot of good food and great fellowship, the event ended with a bang, as the night sky was lit up with displays of colorful sparkle.

See you next year!
